

Q-FOC | Q-FOC-TTX-FX-MM

QUAD MEDIA CONVERTER ACCESSORIES

FEATURES

Quad Independant Media Converters

Mounting system to support 4 medias converters

FOC

simple media converter, Ethernet/Gigabit Ethernet

FOCM

html/SNMP manageable media converter Ethernet/Gigabit Ethernet

FOC-2X10GE

10G SFP+ media converter

Single DC 5V plug and delivered with AC/DC 5V adapter 35W to support the 4 converters

Color Black or Grey

The **Q-FOC** kit is a black or grey metal part with AC/DC converter witch provide a **four independant media converters** on compact form and with the possibility to fix them on the wall or under the table in order to protect the fiber.

This solution avoid people to tear out and cut the fibers.

A single power supply is shared by the four media converters with single jack. The back hood covers the access to the power cables to each media converter and protect the DIP switches.

Four holes permit to the user to fix the Quad Media Converter on the wall.

This kit can be used with four media converter Ethernet, Gigabit Ethernet and 10 Gigabit Ethernet :

Specification

Dimensions: W x D_c x H

- chassis 360 x 135 x 28 mm
- AC/DC power module 50 x 110 x 20

Power supply:

- Single Jack in the side
- DC 5V
- AC/DC adaptor 35W at 40° C
- Fixed cable to jack 1,8m
- AC jack type IEC320/C8 (razor type)
